The assessing or assigned Family Specialist signs/dates screening at conclusion. Screening is maintained within resident's case file.
2. PREA- What You Should Know About Sexual Abuse & Assault: Upon admission the assessing or assigned Family Specialist reviews this document with resident. Resident sign(s) document in acknowledgement and document is maintained within resident's case file.

C. Gender Identity Definitions

1. Gender Nonconforming: Person(s) whose appearance or manner does not conform to traditional societal gender expectations.
2. Intersex: Person(s) whose sexual or reproductive anatomy or chromosomal pattern does not seem to fit typical definitions of male or female.
3. Transgender: Person(s) whose gender identity (i.e., internal sense of feeling male or female) is different from the person's assigned sex at birth.

III. Procedure

- A. The facility has a zero tolerance stance on all forms of harassment, sexual abuse, sexual assault, and sexual harassment.
- B. The facility and staff adhere to the procedures outlined within the Prison Rape Elimination Act, PREA.
- C. **Screening Youth: Potential Vulnerabilities, Risk of Sexual Victimization, Abusiveness and/or Tendencies of Acting out with Sexually Aggressive Behavior**
 - 1. The assessing or assigned Family Specialist educate youth within twenty-four (24) hours of admission regarding the facility's zero-tolerance policy regarding sexual abuse and sexual harassment, how to report incidents or suspicions of sexual abuse or sexual harassment, their rights to be free from sexual abuse and sexual harassment and to be free from retaliation from reporting such incidents, and regarding facility policies and procedures for reporting to such incidents. Review and acknowledgement of this education is documented on the following form(s):
 - i. PREA- What You Should Know About Sexual Abuse & Assault
 - ii. Resident and Parent/Guardian(s) participation in the receipt of this information is documented within Parent Resident Handbook- Receipt and Acceptance of Program Regulations and maintained within the resident's case record.
 - 2. The assessing or assigned Family Specialist screen youth within twenty-four (24) hours of admission. This assessment will be documented on the following form:
 - i. PREA- Reception Screening for Assaultive Behavior, Sexually Aggressive Behavior, and Risk for Sexual Victimization.
 - 3. **Obtaining information from residents.**
 - i. All residents will be assessed by the Family Specialist during the intake screening for their risk of being sexually abused by other residents or sexually abusive toward other residents.
 - ii. Intake screening will take place within twenty-four (24) hours of arrival at the facility.
 - iii. Intake screenings will be conducted using objective screening instrument (i.e., PREA- Reception Screening for Assaultive Behavior, Sexually Aggressive Behavior, and Risk for Sexual Victimization).
 - iv. Intake screening will consider at a minimum, the following criteria to assess residents for risk behaviors including assaultive, sexually aggressive, and/or sexual victimization:
 - a. Whether the resident has a mental, physical or developmental disability;
 - b. Resident's level of emotional and cognitive development;
 - c. The age of the resident;
 - d. The physical build of the resident;
 - e. Whether the resident has previously been incarcerated;
 - f. Whether the resident's criminal history is exclusively nonviolent;
 - g. Whether the resident has prior convictions for sex offenses against an adult or child;
 - h. Whether the resident is or is perceived to be gay, lesbian, bisexual, transgender, intersex, or gender nonconforming;
 - i. Whether the resident has previously experienced sexual victimization; and,

- j. The resident's own perception of vulnerability;
 - k. Any other specific information about individual residents that may indicate heightened needs for supervision, additional safety precautions, or separation from certain other residents.
- v. Intake screening will consider prior acts of sexual abuse, prior convictions for violent offenses, and history of prior institutional violence or sexual abuse, as known to the facility, in assessing residents for risk of being sexually abusive.
 - vi. Residents may not be disciplined for refusing to answer, or for not disclosing complete information in response to questions asked pursuant to the information within this section.
 - vii. The facility will implement appropriate controls on the dissemination within the facility of responses to questions asked pursuant to this ACA standard and the Prison Rape Elimination Act, PREA, in order to ensure that sensitive information is not exploited to the resident's detriment by staff or other residents.

1. Use of screening information: Placement of residents in housing, bed, program, education, and work assignments.

- a. The facility will use information from the risk screening in determining housing, bed, work, education, and program assignments with the goal of keeping separate those residents at high risk of being sexually victimized from those at high risk of being sexually abusive. This is documented within the Personal Program Plan and subsequent thirty (30) day reviews.
- b. The facility will make individualize determinations about how to ensure the safety of each resident.
- c. Residents may be isolated from others only as a last resort when less restrictive measures are inadequate to keep them and other residents safe, and then only until an alternative means of keeping all residents safe can be arranged. Any approved periods of isolation are in accordance with juvenile supervision procedures/policies. If a resident is isolated the facility will clearly document (Special Incident Form, Internal Investigation Checklist, Rule Infraction Form) the following:
 - i. The basis for the facility's concern for the resident's safety; and
 - ii. The reason why no alternative means of separation can be arranged.
- d. Every thirty (30) days, the facility will afford each resident requiring isolation, a review to determine whether there is a continuing need for separation from the general population.
- e. In deciding whether to assign a transgender or intersex resident to a facility for male or female residents, and in making other housing and programming assignments, the facility will consider on a case-by-case basis whether a placement would ensure the resident's health and safety, and whether the placement would present management or security problems. Transgender and/or cross-gender youth will be re-assessed at least twice a year to determine if amendments need to be made.
- f. A transgender or intersex resident's own views with respect to his or her own safety will be given serious consideration.
- g. A transgender or intersex residents will be given the opportunity to shower separately from other residents.
- h. The facility will not place lesbian, gay, bisexual, transgender, or intersex residents in dedicated facilities, units, or wings solely on the basis of such identification or status.

1. The facility will not impose a time limit on when a resident may submit a Grievance Form regarding an allegation of sexual abuse.
2. The facility may apply otherwise-applicable time limits on any portion of a grievance that does not allege an incident of sexual abuse, as reflect within ACA Standard 3D-07.
3. The facility will not require a resident to use any informal process, or to otherwise attempt to resolve with staff, an alleged incident of sexual abuse.
4. Nothing in this section will restrict the facility's ability to defend against a lawsuit filed by a resident on the ground that the applicable statute of limitations has expired.
5. The facility will ensure that—
 - i. A resident who alleges sexual abuse may submit a Grievance Form without submitting it to a staff member who is the subject of the complaint, and
 - ii. Such Grievance Forms are not referred to a staff member who is the subject of the complaint.
6. The facility will issue a final facility decision on the merits of any portion of a PREA Investigation and Findings Report alleging sexual abuse within ninety (90) days of the initial filing of the Grievance Form.

7. Computation of the ninety (90) day time period will not include time consumed by residents in preparing any administrative appeal.
8. The facility may claim an extension of time to respond, of up to seventy (70) days, if the normal time period for response is insufficient to make an appropriate decision. The facility will notify the resident in writing of any such extension and provide a date by which a decision will be made.
9. At any level of the administrative process, including the final level, if the resident does not receive a response within the time allotted for reply, including any properly noticed extension, the resident may consider the absence of a response to be a denial at that level.
10. Third parties, including fellow residents, staff members, family members, attorneys, and outside advocates, will be permitted to assist residents in filing requests for administrative remedies relating to allegations of sexual abuse, and will also be permitted to file such requests on behalf of residents.
 - i. A parent or legal guardian of a juvenile will be allowed to file a Grievance Form regarding allegations of sexual abuse, including appeals, on behalf of such juvenile. This notification will not be conditioned upon the juvenile agreeing to have the notification form filed on his or her behalf.
 - i. If a third party, other than a parent/guardian, files such a request on behalf of a resident, the facility may require as a condition of processing the request that the alleged victim agree to have the request filed on his or her behalf, and may also require the alleged victim to personally pursue any subsequent steps in the administrative remedy process.
 - ii. If the resident declines to have the request processed on his or her behalf, the facility will document the resident's decision.
11. The facility will establish procedures for staff to file a Special Incident Report, SIR, form alleging that a resident is subject to a substantial risk of imminent sexual abuse. This SIR is immediately forwarded to the Supervisor on-duty.
12. The Supervisor on-duty immediately notifies an Administrator of all reported allegations.
13. The reporting of such allegations is documented on the SIR, by all parties involved prior to the end of shift.
14. All SIRs are immediately secured and sealed within an 8 x 10 manila envelope, stamped confidential, and forwarded to Director.
15. After receiving the SIR alleging a resident is subject to a substantial risk of imminent sexual abuse, the facility will immediately forward the SIR (or any portion thereof that alleges the substantial risk of imminent sexual abuse) to a level of review at which immediate corrective action may be taken, will provide an initial response within forty-eight (48) hours, and will issue a final facility decision within five (5) calendar days. The initial response and final facility decision will document the facility's determination whether the resident is in substantial risk of imminent sexual abuse and the action taken in response to the SIR.

 - j. How to comply with relevant laws related to mandatory reporting of sexual abuse to outside authorities;
 - k. Relevant laws regarding the applicable age of consent;

4. Such training will be tailored to the gender of the residents at the employee's facility. The employee will receive additional training if the employee is reassigned from a facility that houses only male residents, or vice versa.
5. The facility will document, through employee signature or electronic verification that employees understand the training they have received.

G. Volunteer and Contractor Training

1. The facility will ensure that all volunteer and contractors who have contact with residents have been trained on their responsibilities under the facility's sexual abuse and sexual harassment prevention, detection, and response policies and procedures.
2. The level and type of training provided to volunteers and contractors shall be based on the services they provide and level of contact they have with residents, but all volunteers and contractors who have contact with residents shall be notified of the agency's zero-tolerance policy regarding sexual abuse and sexual harassment and informed how to report such incidents.
3. Training is documented on the Orientation Training Checklist and Dissemination of Policy and Procedure form(s).

H. Resident Education

1. The assessing or assigned Family Specialist educate youth within twenty-four (24) hours of admission regarding the facility's zero-tolerance policy regarding sexual abuse and sexual harassment, how to report incidents or suspicions of sexual abuse or sexual harassment, their rights to be free from sexual abuse and sexual harassment and to be free from retaliation from reporting such incidents, and regarding facility policies and procedures for reporting to such incidents. Review and acknowledgement of this education is documented on the following form(s):
 - a. PREA- What You Should Know About Sexual Abuse & Assault
 - b. Resident and Parent/Guardian(s) participation in the receipt of this information is documented within Parent Resident Handbook- Receipt and Acceptance of Program Regulations and maintained within the resident's case record.
2. The facility will ensure that key information is continuously and readily available or visible to residents through posters, resident handbooks, or other written formats.

I. Discipline

1. Disciplinary Sanctions for Staff.

- a. The facility adheres to Montgomery County Juvenile Court's Policy and Procedure as stated in:
Montgomery County Juvenile Court Employee Handbook
Chapter: Personnel Administration
Subject: Employee Privacy and Personnel Files
Section: 5.6
- b. Staff will be subject to disciplinary sanctions up to and including termination for violating facility sexual abuse or sexual harassment policies.
- c. Termination will be the presumptive disciplinary sanction for staff who have engaged in sexual abuse.
- d. Disciplinary sanctions for violations of facility policies relating to sexual abuse or sexual harassment (other than actually engaging in sexual abuse) will be commensurate with the nature and circumstances of the acts committed, the staff

member's disciplinary history, and the sanctions imposed for comparable offenses by other staff with similar histories.

- e. All terminations for violations of facility sexual abuse or sexual harassment policies, or resignations by staff who would have been terminated if not for their resignation, will be reported to law enforcement agencies, unless the activity was clearly not criminal, and to any relevant licensing bodies.

2. Sanctions for Contractors and Volunteers.

- a. Any contractor or volunteer who engages in sexual abuse will be prohibited from contact with residents and will be reported to law enforcement agencies, unless the activity was clearly not criminal, but will still be reported to relevant supervisors and/or licensing bodies.
- b. The facility will take appropriate remedial measures, and will consider whether to prohibit further contact with residents, in the case of any other violation of facility sexual abuse or sexual harassment policies by a contractor or volunteer.
- c. The facility will maintain or attempt to enter into memoranda of understanding or other agreements with community service providers that are able to provide residents with confidential emotional support services related to sexual abuse. The facility will maintain copies of agreements or documentation showing attempts to enter into such agreements.
 - I. New contracts or contract renewal will provide for agency contract monitoring to ensure that the contractor is complying with the PREA standards.

3. Interventions and Disciplinary Sanctions for Residents.

- a. Residents will be subject to disciplinary sanctions pursuant to a formal disciplinary process following an administrative finding that the resident engaged in resident-on-resident sexual abuse or following a criminal finding of guilt for resident-on-resident sexual abuse.
- b. Sanctions will be commensurate with the nature and circumstances of the abuse committed, the resident's disciplinary history, and the sanctions imposed for comparable offenses by other residents with similar histories. In the event a disciplinary sanction results in the isolation of a resident, agencies will not deny the resident daily large muscle exercise or access to any legally required educational programming or special education services. Residents in isolation will receive daily visits from medical or mental health care clinician. Resident will also have access to other programming opportunities.
- c. The disciplinary process will consider whether a resident's mental disabilities or mental illness contributed to his or her behavior when determining what type of sanction, if any, should be imposed.
- d. If the facility offers therapy, counseling, or other interventions designed to address and correct underlying reasons or motivations for the abuse, the facility will consider whether to offer the offending resident to participate in such interventions. The facility may require participation in such interventions as a condition of access of any reward-based behavior management system or other behavior-based incentives, but not as a condition to access to general programming or education.
- e. The facility may discipline a resident for sexual contact with staff only upon a finding that the staff member did not consent to such contact.
- f. For the purpose of disciplinary action, a report of sexual abuse made in good faith based upon a reasonable belief that the alleged conduct occurred will not constitute

falsely reporting an incident or lying, even if an investigation does not establish evidence sufficient to substantiate the allegation.

- g. The facility prohibits all sexual activity between residents and will discipline residents for such activity. The facility may not, however, deem such activity to constitute sexual abuse if it determines that the activity is not coerced.

J. Criminal Sanctions:

- 1. All allegations of sexual abuse or sexual harassment deemed potentially criminal by Administration are referred to the appropriate agency, such as:
 - a. Montgomery County Job and Family Services- Children Services Division, (MCJFS- Children Services), 937- 224-5437.
 - b. Montgomery County Sheriff's Department, 937- 225- 4357.
