NRTC has a written descriptions specific for each position or group of positions within the agency’s certified function for all college interns, volunteers and employees. The position descriptions are located in each employee’s personnel file in the administrative office.

Prior to hire, NRTC will obtain, from persons not related to the subject of reference, at least three written references or written notes on verbal references regarding prospective college interns, volunteers and employees who will have direct contact with youth.

NRTC hires qualified employees to provide the services which it is certified to provide.

1. NRTC will assure that all staff hired or who are under any personal service contract who are required by law to possess any professional license or certification are so licensed or certified.

2. NRTC will make preference to hire Youth Specialist III, those persons with bachelor’s degree from an accredited college or university, when hiring staff responsible for the daily direct care or supervision of youth.

3. Persons employed in positions responsible for the daily direct care or supervision of youth shall be at least twenty-one years of age and possess at least a High school diploma or equivalency certificate and will be hired in as a Youth Specialist II.

In those instances when an employee is responsible for varied job responsibilities and, as such, falls within more than one category of the previous paragraph, such employee will meet those qualifications which are the most rigorous among the competing criteria.

NRTC requires a JFS 01390 “ODJFS Medical Statement for Child Care Staff in Residential Facilities” (rev. 6/2001) to be completed by a licensed physician, physician assistant, clinical nurse specialist, certified nurse practitioner, or certified nurse-midwife within six months prior to employing any person who will have direct contact with youth.

NRTC, at its own discretion or at the request of the Ohio Department of Job and Family Services, require an employee or prospective employee to provide reports on the individual’s physical or mental health from qualified professionals when the individual exhibits signs of a physical or mental health problem which might impair the individual’s ability to ensure the health and safety of youth.
NRTC documents that any person hired after October 29, 1993 as an administrator, child care staff, caseworker, or in any other position responsible for a youth’s care in out-of-home care shall not have been convicted of or pleaded guilty to any of the offenses listed in paragraph (I) of rule 5101: 2-5-09 of the Administrative Code, except as provided in paragraph (H) of that rule.

A prospective employee convicted of or who has pleaded guilty to an offense listed in paragraph (I) of rule 5101: 2-5-09 may be hired by the facility as an administrator, child care staff or caseworker, or in any other position responsible for a youth’s care in out-of-home care only if the conditions listed in paragraph (H) of rule 5101: 2-5-09 have been met.

It is the prospective employee’s duty to provide written verification that the conditions specified in paragraph (H) of rule 5101: 2-5-09 have been met. If the prospective employee fails to provide such proof or if the agency determines that the proof offered by the prospective employee is inconclusive or insufficient, the person shall not be hired. Any doubt will be resolved in favor of protecting the youth the Center serves.

To determine whether a prospective employee is qualified to be hired pursuant to paragraph (I) of rule 5101: 2-5-09, a criminal records check shall be conducted pursuant to rule 5101: 2-5-09.1 of the Administrative Code (see Policy 3.2).

The provisions of paragraph (H) of rule 5101: 2-5-09 must be considered for any prospective employee who has been convicted of, or pleaded guilty to, one or more of the offenses listed in that rule even if the person’s record has been sealed by a court pursuant to section 2953.32 of the Revised Code because the information contained in the sealed record bears a direct and substantial relationship to the care of children who may be entrusted to the person’s care.

A conviction of, or plea of guilty to, an offense listed in paragraph (I) of rule 5101: 2-5-09 shall not prevent a prospective employee’s hire if the person has been granted an unconditional pardon for the offense pursuant to Chapter 2967 of the Revised Code or the conviction or guilty plea has been set aside pursuant to law. “Unconditional pardon” includes a conditional pardon with respect to which all conditions have been performed or have transpired.

Additionally, all employees, volunteers, interns, subcontracted individuals and anyone who works with youth in any capacity at the facility must have a completed Ohio Alleged Perpetrator Search and a Search of the United States Department of Justice National Sex Offender Public Website on file. Individuals with alleged perpetrator results showing a finding of substantiated abuse or neglect within the past ten (10 years) and any individual listed on the national sex offender public website is not eligible for employment or appointment as a board administrator, volunteer, intern or subcontractor.

Our Board Administrator and Director are subject to an additional certified search of the findings for Recovery Database and database review at the federal website known as the System for Award Management. Findings are to be kept in their employee file.
